

# Roofs

## Product description

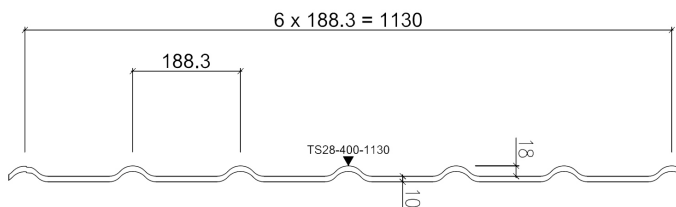

### Decorrey™

You can now get a genuine Ruukki roof at the price of the competition. The New Decorrey is durable and easy to install and maintain. Its low profile gives it a modern and stylish appearance, while its affordability makes it perfect for renovations, too.

### Product applications

- detached houses
- terraced houses
- residential multi-storey buildings
- recreational dwelling

Ruukki is a metal expert you can rely on all the way, whenever you need metal based materials, components, systems or total solutions. We constantly develop our product range and operating models to match your needs.
