

Roofs

Product description

Vintage™

Inspired by the architecture of the past, Ruukki Vintage combines traditional style with modern convenience.

Vintage is a high quality roof, based on the latest know-how in materials and processing technologies, with a design that reflects the traditional hand-made standing seam roof. The timeless design combined with easy installability, makes it a top-of-the-class choice for roof renovation.

Product applications

- detached houses
- terraced houses
- residential multi-storey buildings
- recreational dwelling

Ruukki is a metal expert you can rely on all the way, whenever you need metal based materials, components, systems or total solutions. We constantly develop our product range and operating models to match your needs.
