

Roofs

Product description

Classic™ C

The Classic, with a profile that resembles traditional seamed roofing, is a high-quality roof with a unique look and feel. It is a modest, yet stylish and timeless choice. It suits a variety of architectural styles.

Its advanced fastening technology ensures that it is quick and easy to install without the need for special tools. The Classic is an excellent choice also for low-pitched roofs.

Product applications

- detached houses
- terraced houses
- residential multi-storey buildings
- recreational dwelling

Ruukki is a metal expert you can rely on all the way, whenever you need metal based materials, components, systems or total solutions. We constantly develop our product range and operating models to match your needs.
